ORDER:

In the letter read above, the Chief Engineer (R&B) CRN &MD, APRDC, has stated that Markapur-Dornala SH road is an interlink road connecting NH-565 & Besthavaripet-Thokapalli road (converted State Highway) and NH-765. It provides connection to holy pilgrimage centre "Srisailam" of Lord Shiva and several lakhs of pilgrims travel on this road during Shivarathri festival. Agricultural products from Dornala and Peddaraveedu mandals are transported to the marketing centres on this road. The intensity of the traffic is very high during special occasions at Srisailam. Public is facing much inconvenience to travel on this reach being a single lane road. This road was already developed to double lane/intermediate lane from Km. 0/0 to 17/3 and the left over reach from Km. 17/3 to 27/0 is a single lane road with 3.66m carriageway. The existing single lane road is insufficient to cater to the needs of ever growing traffic.

2. The Chief Engineer (R&B) CRN & MD, APRDC, AP, has also stated that the scope of the work is to widen the existing single lane road to two lane for better traffic needs and to avoid congestion on single lane road during peak traffic conditions. As per the latest census taken on the road, the present traffic volume on the road 4441 PCUs/ day. As per IRC 64 – 1990, the Single lane road can serve only up to 2000 PCUs/ day. Therefore there is an immediate need to widen the above single lane road from Km.17/3 to 27/0 to double-lane road to cater to the needs of the growing traffic. No land acquisition required for proposed widening.

3. The Chief Engineer (R&B) CRN & MD, APRDC, AP, has requested to accord administrative sanction for an amount of Rs.10.50 Crores (Rupees Ten crores and Fifty lakhs only); for the work of 'Widening and Strengthening of Markapur-Dornala road from Km. 17/300 to Km. 27/000 in Prakasam Dist.'; under Corenet plan.
